Insert: "NEW SECTION. Section 15. Suspension of election laws — purpose — notice. (1) Due to the severity of Montana's fiscal problems, the legislature and the governor find that it is in the best interests of the citizens of the state of Montana to conduct a special election on the question of whether or not cigarette and tobacco tax increases, as represented by [Senate Bill No. 119], should be adopted. The legislature and the governor also find that statutes covering ballot measures and the election on ballot measures, generally found in Title 13, chapter 27, are insufficient to accommodate the pressing need to dispose of the question of increasing cigarette and tobacco taxes. Consequently, procedures expediting the election, specified in [sections 15 through 33], are enacted to protect and further the interests of the electorate and Montana's citizens.

(2) For purposes of the special election to be held on [Senate Bill No. 119]:

(a) the provisions of 13-1-108, 13-2-301(1)(b), 13-12-201, 13-13-205, and Title 13, chapter 27, do not apply;

(b) notice of the special election must be published at least once a week for the 2 successive weeks before the election on radio or television as provided in 2-3-105 through 2-3-107 or in a newspaper of general circulation in the jurisdiction where the election will be held; and

(c) the secretary of state shall publish a notice specifying the day registration will close in a newspaper of general circulation in each county at least 1 week before the close of registration."

(2) In [sections 15 through 33], wherever the word "ballot issue", "issue", "ballot measure", "ballot form", or "ballot" appears, the word applies to [Senate Bill No. 119]."

Insert: "NEW SECTION. Section 17. Transmittal of ballot issue to attorney general. (1) The secretary of state shall transmit a copy of the ballot issue and a copy of the form in which the issue will appear on the ballot to the attorney general no later than 40 days before the election at which the issue will be voted on by the people.

(2) If the ballot form is not approved by the attorney general pursuant to [section 19], the secretary of state shall immediately submit a new ballot form to the attorney general."

Insert: "NEW SECTION. Section 18. Review by attorney general — preparation of statements — fiscal note. (1) Upon receipt of a ballot issue from the office of the secretary of state pursuant to [section 17], the attorney general shall examine the issue as to form and, if it has an effect on the revenue, expenditures, or fiscal liability of the state, shall order a fiscal note incorporating an estimate of the effect, the substance of which must substantially comply with the provisions of 5-4-205. The budget director, in cooperation with the agency or agencies affected or knowledgeable, is responsible for preparing the fiscal note and shall return it within 2 days. If a fiscal note was prepared for the issue for consideration by the 57th Montana legislature, the secretary of state shall provide to the attorney general the fiscal note prepared for the legislature at the same time the ballot issue is transmitted and the budget director need not prepare a new fiscal note.

(2) The attorney general shall endeavor to seek out parties on both sides of the issue and obtain their advice. The attorney general, within 3 days of receipt of the ballot issue, shall prepare:

(a) a statement, not to exceed 100 words, explaining the purpose of the measure; and

(b) statements, not to exceed 25 words each, explaining the implications of a vote for and a vote against the measure.

(3) Within 3 days of receipt of a fiscal note, if one is necessary, the attorney general shall prepare a fiscal statement of no more than 50 words, using the fiscal note prepared for the ballot issue if one was prepared. The statement must be used on the ballot.

(4) The statement of purpose and the statements of implication must express the true and impartial explanation of the ballot issue in plain, easily understood language and may not be arguments or written so as to create prejudice for or against the measure. The statement of purpose, statements of implication, and fiscal statement must be transmitted to the secretary of state no later than 1 day following completion of the statements.

(5) The statement of purpose, unless altered by a court under [section 20], must appear on the ballot in addition to the language included in [Senate Bill No. 119].

(6) The statements of implication must be placed beside the diagram provided for marking of the ballot in a manner similar to but not limited to the following example:

(2) On the same day on which an action is filed under subsection (1), the person filing the action shall serve notice of the action upon the secretary of state and upon the attorney general.

(3) An action filed under subsection (1) takes precedence over all other cases and matters in the district court. The court shall examine the proposed measure and the challenged statement and shall as soon as possible render a decision and certify to the secretary of state a statement that the court determines will meet the requirements of [section 18].

(4) A statement certified by the court must be placed on the official ballot.

(5) A copy of the statement certified by the court, in final form, must be filed in the office of the secretary of state by the person filing the action.

(6) A party may appeal the order of the district court to the Montana supreme court by filing a notice of appeal within 2 days of the date of the order of the district court.

(7) An action filed under subsection (6) takes precedence over all other cases and matters in the Montana supreme court. The court shall examine the proposed measure and the challenged statement and shall as soon as possible render a decision and certify to the secretary of state a statement that the court determines will meet the requirements of [section 18]. (a) ~~On~~ Subject to subsection (6), on or before July 1, 1998, all customers with individual loads greater than 1,000 kilowatts and for loads of the same customer with individual loads at a meter greater than 300 kilowatts that aggregate to 1,000 kilowatts or greater must have the opportunity to choose an electricity supplier.

(b) petition the commission to delay the public utility's transition plan filing until July 1, 2004.

(5) Upon a request from a public utility with fewer than 50 customers, the commission shall waive compliance with the requirements of 69-8-104, 69-8-202 through 69-8-204, 69-8-208 through 69-8-211, 69-8-402, and this section.

(6) A customer who chose an electricity supplier prior to July 1, 2001, may make an election prior to October 1, 2001, to

receive the customer's electricity from the default supplier. A customer who chose an electricity supplier prior to July 1, 2001,

(1) The provisions of this chapter and the duties described in this section govern the relationships between brokers or salespersons and buyers or sellers and are intended to replace the duties of agents as provided elsewhere in state law and replace the common law as applied to these relationships. The terms "buyer agent", "dual agent" and "seller agent", as used in this chapter, are defined in 37-51-102 and are not related to the term "agent" as used elsewhere in state law. The duties of a broker or salesperson vary depending upon the relationship with a party to a real estate transaction and are as provided in this section.

(2) A seller agent is obligated to the seller to:

(a) act solely in the best interests of the seller;

(b) obey promptly and efficiently all lawful instructions of the seller;

(c) disclose all relevant and material information that concerns the real estate transaction and that is known to the seller agent and not known or discoverable by the seller, unless the information is subject to confidentiality arising from a prior or existing agency relationship on the part of the seller agent;

(d) safeguard the seller's confidences;

(e) exercise reasonable care, skill, and diligence in pursuing the seller's objectives and in complying with the terms established in the listing agreement;

(f) fully account to the seller for any funds or property of the seller that comes into the seller agent's possession; and

(g) comply with all applicable federal and state laws, rules, and regulations.

(b) disclose to a buyer or the buyer agent when the seller agent has no personal knowledge of the veracity of information regarding adverse material facts that concern the property;

(c) act in good faith with a buyer and a buyer agent; and

(d) comply with all applicable federal and state laws, rules, and regulations.

(4) A buyer agent is obligated to the buyer to:

(a) act solely in the best interests of the buyer;

(b) obey promptly and efficiently all lawful instructions of the buyer;

(c) disclose all relevant and material information that concerns the real estate transaction and that is known to the buyer agent and not known or discoverable by the buyer, unless the information is subject to confidentiality arising from a prior or existing agency relationship on the part of the buyer agent;

(d) safeguard the buyer's confidences;

(e) exercise reasonable care, skill, and diligence in pursuing the buyer's objectives and in complying with the terms established in the buyer broker agreement;

(f) fully account to the buyer for any funds or property of the buyer that comes into the buyer agent's possession; and

(g) comply with all applicable federal and state laws, rules, and regulations.

(5) A buyer agent is obligated to the seller to:

(a) disclose any adverse material facts that are known to the buyer agent and that concern the ability of the buyer to perform on any purchase offer;

(b) disclose to the seller or the seller agent when the buyer agent has no personal knowledge of the veracity of information regarding adverse material facts that concern the property;

(c) act in good faith with a seller and a seller agent; and

(d) comply with all applicable federal and state laws, rules, and regulations.

(6) A seller is obligated to the seller agent to disclose the presence of plant species that are designated as noxious weeds, as defined in 7-22-2101(8)(a), on parcels of land 1 acre or larger in size if the presence of noxious weeds on the property is known to the seller.

~~(6)~~(7) A statutory broker is not the agent of the buyer or seller but nevertheless is obligated to them to:

(a) disclose to:

(i) a buyer or a buyer agent any adverse material facts that concern the property and that are known to the statutory broker, except that the statutory broker is not required to inspect the property or verify any statements made by the seller;

(ii) a seller or a seller agent any adverse material facts that are known to the statutory broker and that concern the ability of the buyer to perform on any purchase offer;

(b) exercise reasonable care, skill, and diligence in putting together a real estate transaction; and

(c) comply with all applicable federal and state laws, rules, and regulations.

~~(7)~~(8) A dual agent is obligated to a seller in the same manner as a seller agent and is obligated to a buyer in the same manner as a buyer agent under this section, except as follows:

(a) a dual agent has a duty to disclose to a buyer or seller any adverse material facts that are known to the dual agent, regardless of any confidentiality considerations; and

(b) a dual agent may not disclose the following information without the written consent of the person to whom the information is confidential:

(i) the fact that the buyer is willing to pay more than the offered purchase price;

(ii) the fact that the seller is willing to accept less than the purchase price that the seller is asking for the property;

(iii) factors motivating either party to buy or sell; and

(iv) any information that a party indicates in writing to the dual agent is to be kept confidential.

~~(8)~~(9) (a) The agency relationship of a buyer agent, seller agent, or dual agent continues until the earliest of the following dates:

(i) completion of performance by the agent;

(ii) the expiration date agreed to in the listing agreement or buyer broker agreement; or

(iii) the occurrence of any authorized termination of the listing agreement or buyer broker agreement.

(b) A statutory broker's relationship continues until the completion, termination, or abandonment of the real estate transaction giving rise to the relationship.

~~(9)~~(10) Upon termination of an agency relationship, a broker or salesperson does not have any further duties to the principal, except as follows:

(a) to account for all money and property of the principal;

(b) to keep confidential all information received during the course of the agency relationship that was made confidential at the principal's direction, except for:

(i) subsequent conduct by the principal that authorizes disclosure;

(ii) disclosure required by law or to prevent the commission of a crime;

(iii) the information being disclosed by someone other than the broker or salesperson; and

(iv) the disclosure of the information being reasonably necessary to defend the conduct of the broker or salesperson, including employees, independent contractors, and subagents.

~~(10)~~(11) Consistent with the licensee's duties as a buyer agent, a seller agent, a dual agent, or a statutory broker, a licensee shall endeavor to ascertain all pertinent facts concerning each property in any transaction in which the licensee acts so that the licensee may fulfill the obligation to avoid error, exaggeration, misrepresentation, or concealment of pertinent facts.""

maximum general fund budget. However, the budget adopted for the current year may not exceed the lesser of:

(A) the adopted budget for the previous year; or

(B) the district's maximum general fund budget for the current year plus the over maximum budget amount adopted for the previous year.

~~(3)~~(c) The chemical dependency assessment and the chemical dependency education course must be completed at a treatment program approved by the department of public health and human services and must be conducted by a certified chemical dependency counselor. (1) Except as provided in subsection (8), residential and commercial improvements, including additions to existing improvements, completed during the tax year that were not assessed or taxable as of the preceding January 1 or improvements that have become the property of a person subject to taxation must be assessed and taxed from the date of occupation or use.

(2) (a) An owner of improvements described in subsection (1) shall notify the department that the improvements are occupied or in use. As soon as practical after receiving the notice, the department shall appraise the improvements as provided in Title 15, chapter 8.

(b) Upon completion of the appraisal, the department shall notify the owner of the appraisal.

(c) If the owner of the improvements is dissatisfied with the appraisal, the procedures for review and appeal described in 15-7-102(3) through (6) apply.

(3) To determine the amount of tax due for improvements described in subsection (1), the county treasurer shall multiply the taxable value of the new improvement by the total number of mills levied on the property for the current fiscal year and multiply the product by the ratio that the number of days in the calendar year that the property will be in taxable status bears to 365.

(4) Because the improvement will not have been assessed or taxed during the tax year because it did not exist on January 1, the department shall prepare a special assessment for the property and the county treasurer shall determine the amount of taxes that would have been due under subsection (3).

(5) (a) Except as provided in subsection (5)(b), upon determining the amount of tax due, the county treasurer shall notify the person to whom the tax is assessed, in the same manner as notification is provided under 15-16-101(2), of the amount due, and the notification must state that the taxes are payable as provided in 15-16-102. Taxes imposed under this section are not subject to the penalty and interest provisions under 15-16-102(2) and (3).

(b) If the county treasurer determines the amount of tax due on the improvements after October 1 of the tax year, the notification must state that the taxes are payable by May 31 of the following year.

(6) Immediately upon receipt of taxes imposed under this section, the county treasurer shall distribute the money in the same manner as property taxes are distributed.

(7) Improvements that are assessed and taxed under this section must be included in the tax base as newly taxable property, as provided in 15-10-420, for the fiscal year beginning July 1 that follows assessment and taxation of the improvements under this section.

(8) This section does not apply to improvements described in subsection (1) if the market value of the improvements is less than $20,000."

"7-6-2320. Final budget — approval, adoption, and amendment — exception. (1) The budget as finally determined, in addition to setting out separately each item for which an appropriation or expenditure is authorized and the fund out of which it is to be paid, must set out:

(b) the cash balance in the fund at the close of the preceding fiscal year;

(c) the amount estimated to accrue to the fund from sources other than taxation;

(d) the reserve for the next fiscal year; and

(e) the amount necessary to be raised for each fund by tax levy during the current fiscal year.

(2) The board shall then by resolution approve and adopt the budget as finally determined and enter the budget at length in the official minutes of the board.

(3) (a) Subject to compliance with the procedures set forth in subsection (4), the board may approve and adopt a resolution amending a final budget when:

(i) shortfalls in anticipated and budgeted ~~revenues~~ revenue occur that, unless reductions in appropriations are made, will result in expenditures for the year exceeding actual ~~revenues~~ revenue and cash balances available for the year; ~~or~~
